

# Get the care you need with a loan you can afford

Even those covered by health insurance can sometimes find themselves with mounting medical debt. Thankfully, there is an option that helps with paying for healthcare bills without placing undue stress on your finances. Memorial Regional Health has offered a patient financing option through Bank of Colorado and Epic River Patient Finance to offer guaranteed financing that all patients qualify for – regardless of credit history.

## What is the Patient Lending Solution?

Together with Bank of Colorado, Memorial Regional Health provides a patient payment program that enables you to pay your medical bills - without wreaking havoc on your finances and credit. We provide a lending solution for patients who need help paying their healthcare bills. All patients qualify, regardless of credit history. You pick your monthly payment amount and the duration of the loan.

## Program Benefits:

- Guaranteed loan approval; all patients qualify
- Monthly payment amounts determined by the patient
- Loans come from a trusted bank partner, Bank of Colorado
- No hidden fees
- No credit check
- Fixed interest rate

## How to Enroll:

Contact our Billing & Financial Assistance department at 970-826-3133.

## Why it Works

You, the patient, get the care you need with a low interest medical loan you can afford.

Your provider is able to stay focused on your physical care while supporting your financial well-being.
