

Lab Direct Wellness Screening Tests

Basic diagnostic laboratory tests are available directly to you without the need for a clinician request. Bills will not be submitted to your insurance and payment for service is required before your services are rendered. This service is provided as a separate encounter from other treatments or services provided at The Memorial Hospital. Pricing for services are discounted from list prices.

If you choose to have the results sent to you via mail, please provide your mailing address below. Otherwise, we are happy to have your results ready for you to personally pick up at the front desk the following day. The Memorial Hospital Laboratory is not responsible for sending results to any clinicians. ***The Memorial Hospital Laboratory strongly recommends you review your results with a physician.***

I prefer to personally pick my results up from Memorial Regional Health laboratory.

I agree that the tests that I request are for my personal information. It is not the responsibility of laboratory staff to provide medical expertise regarding the results of my tests. It is my responsibility to review my results with my physician.
